## Notes:

- The consolidated financial results include those of 17 subsidiaries including 5 subsidiaries merged with the holding company as per the Scheme of Arrangement.
- 2. The Hon'ble High Court of Andhra Pradesh has on 19th March, 2013 sanctioned the Scheme of Arrangement under Section 391 to 394 of the Companies Act 1956, (the Scheme) in terms of which the following wholly owned subsidiaries namely 1. Gati Express Distribution Limited, 2. Trymbak Commercial and Trading Private Limited, 3. Newatia Commercial and Trading Private Limited, 4. Ocimum Commercial and Trading Private Limited and 5. Sumeru Commercial and Trading Private Limited stood amalgamated with the company with effect from the appointed dated i.e., 31st March, 2013. The company has accounted for the amalgamation as per Purchase Method in terms of Accounting Standard 14 Amalgamation and the surplus on Amalgamation of Rs.555.54 crores has been credited to a Special Reserve as per the Scheme.

During the current quarter a strategic partner acquired 40% interest in the subsidiary namely Gati Ship Limited. This resulted in a loss of Rs.64 crores on sale of investment in shares in the subsidiary, which has been adjusted against the above Special Reserve in the Balance Sheet as per the Scheme and not in the profit and loss account as required in terms of Accounting Standard 13 – "Accounting for Investments". To this extent the financials for the quarter have not been impacted.

- 3. During the quarter, the name of Kausar India Ltd., subsidiary of the company was changed to Gati Kausar India Ltd.
- 4. In the year 2009, the Company discontinued Freighter Aircraft operations as per the arrangement with National Aviation Company of India Ltd (NACIL)(the erstwhile Indian Airlines Ltd.,) and now Air India (AI), due to continuous failure and defaults by NACIL. The matter was referred to arbitration of the Arbitral Tribunal appointed by the parties. The Company had filed its statement of Claim before the Arbitral Tribunal for the losses suffered against which NACIL has made counter claims. The hearing of the Arbitration has been concluded and the Award of the Arbitral Tribunal is awaited. Pending decision of the Arbitral Tribunal, a sum of Rs. 2659 lakhs is included in loans and advances being the difference between the amount of Bank Guarantee invoked by NACIL and claims acknowledged by the Company. In the Company's view there are fair chances of recovery of Rs. 2659 lakhs. As per the legal advise received by the Company, which has also been endorsed by another eminent jurist, no liability is contemplated to arise in the matter and no provision is considered necessary in the accounts in this regard. The auditors in their limited review report have stated their inability to express an opinion in the matter.
- 5. Pursuant to the notification issued by the ministry of Corporate Affairs dated 29<sup>th</sup> December 2011 on Accounting Standard 11, the company has opted to adjust the carrying cost of depreciable fixed assets/ to amortize the exchange differences on the Long term Foreign Currency Monetary Items over their tenure. Accordingly as on March 31, 2013, the gain on exchange variance of Rs 86.07 lakhs has been transferred to the "Foreign Exchange Monetary Translation Difference Account" (FCMITDA). The amortization for the quarter on this account is Rs.18.71 lakhs. The balance of Rs. 403.71 lakhs in the FCMITDA has been carried forward therefore the net profit is lower by Rs. 18.71lakhs for the quarter.
