Gati and Intl Shipping Logisites start new service

BSN Network / Mumbai
Gati Ship, a subsidiary of Gati Ltd and International Shipping Logistics FZE have decided to launch a new coastal container service between North India and South India covering the sea ports of Kandla, Mundra and Kochi.
This new service will be called as ISL-Gati Express Coastal Service and will be launched by end of April 2013.
Gati Ship commenced operations in 1995 as Gati Coast to Coast to serve as a logistic solution for all sea bound cargo.
International Shipping Logistics FZE, a wholly owned subsidiary of TM International Logistics Ltd, a Tata Steel subsidiary offers dry bulk transport solutions.

Shipping Ministry to boost private investment in industry

BSN Network / New Delhi
The government says private investment is key for Indian shipping.
The Union Ministry of Shipping is in the process of undertaking a number of measures to attract private investment in major ports so as to ensure improved efficiency and modernisation of port operations in keeping with growing trade volumes, Milind Deora, Union Minister of State for Shipping and IT & Communications said.
He was addressing the annual meet of the country's liquid bulk sector, represented by the All-India Liquid Bulk Import Export Association (AILBIEA) here recently.
Disclosing that India's liquid bulk trade covering mineral oil, vegetable oil, industrial oil and a host of liquid chemicals was an important source of revenue for the country's ports, the Minister said: "Liquid bulk sector is the primary revenue generator for the country's major ports and plays a key role in catering to the country's energy needs in particular".
India is a large importer of crude mineral oil (over 150 million tonnes) with import dependence as high as 90 per cent and vegetable oil (about 10 mt) with import dependence of 60 per cent. The Minister praised the association for its continued interaction with ports, customs houses and other government agencies.

ONGC's MOU with Ministry sets sector specific targets

BSN Network / New Delhi
Maharashtra ONGC has signed Memorandum of Understanding (MOU) with the Ministry of Petroleum & Natural Gas for its Performance Evaluation Parameters and Targets for 2013-14. The MOU was signed on 25th March 2013 by ONGC CMD Mr. Sudhir Vasudeva and Petroleum Secretary Mr. Vivek Rae at Shastri Bhawan in the presence of ONGC Directors and senior officials of the petroleum ministry.
Petroleum Secretary Vivek Rae (right) and ONGC CMD Sudhir Vasudeva (left) exchange MoU documents at Shastri Bhawan, Delhi.
The MoU 2013-14 has sector-specific targets for production of Crude Oil, Natural Gas and Reserve Accretion. This includes ONGC's share from Domestic Joint Venture fields/accreages and production of Value-Added Products.
Apart from the financial parameters, ONGC has committed itself to Human Resources Management, Research & Development (R&D), Corporate Social Responsibility (CSR) and Sustainability Development, Enterprise Specific parameters such as Energy Audits/savings, Health-Safety-Environment Audits, Finding cost and Production cost.
