Gati Kintetsu Express offers e-billing

Our Bureau

Hyderabad, Jan. 1

Gati Kintetsu Express, an express distribution and supply chain solutions provider and a subsidiary of Gati Ltd, has launched a 'Green & Clean Billing' project.

Through this, it offers e-bills linked to e-POD (post of delivery) to its customers, eliminating the need for printed copies.

With the implementation of the new platform, customers can view their outstanding bills, payment history and can print the statements, invoices and POD copies at any time they require.

Payments can be made through Real Time Gross Settlement (RTGS) to enable reverse e-utilisation.

Gati-Kintetsu Express is a joint venture between Gati and Kintetsu World Express, Japan's leading logistics provider.

Gati KWE launches e-billing

BUSINESS BUREAU

Hyderabad: Gati Kintetsu Express Pvt Ltd (Gati-KWE), a subsidiary of Gati involved in express distribution and supply chain management, has launched e-billing initiative. Taken up as part of its clean and green initiative, the e-bills will be offered to the customers through e-POD link. The company says aim of this initiative is to eliminate the need to physically print, deliver and maintain a hard copy of the bills and thereby help sustain the environment.

Also, with the implementation of the new platform, customers can view their outstanding bills, payment history and can print the statements, invoices and POD copies at any time they require. The new e-billing is available with statements linked to POD copies by bill no. Besides, bills will also be emailed to multiple people at the customers end and payments can be made through RTGS to enable reverse e-utilization as well.

"With internet and e-mail penetration very high now, this new offering is more convenient to our customers and gives a boost to our existing green projects," said Diljeet Singh, Chief Sales and Marketing Officer, Gati-KWE.
