Gati starts road shipment to Bangla

Hyderabad: City-based express distribution and supply chain solutions provider Gati Limited has started road shipment movement from India (Pune and Wadi) to Bangladesh on a direct door delivery basis, becoming the first surface express distribution company in India to do so. These shipments were booked by Mumbai-based Aspee Agro Equipment Limited and Pune-based Kudale Instruments (Private) Limited with a reference and recommendation of Ask Trade and Exhibition Private Limited, a Chennai-based exhibition organiser. These materials were shipped for an exhibition and will be bought back to India

HYDERABAD | GATI

Launches direct service to Dhaka

Gati Ltd, a distribution and supply chain solutions provider, said it launched an unique road shipment movement from India (Pune & Wadi) to Bangladesh (Dhaka) on a direct door delivery basis. The first shipments were booked by Mumbai-based Aspee Agro Equipment Ltd, Pune-based Kudale Instruments Pvt Ltd and Chennai-based Exhibition Organiser. "We are the first Express Cargo company to start this direct door delivery service from India to Bangladesh by Surface Express mode. This will further enhance our reach in Bangladesh," said Mahendra Agarwal, MD, Gati Ltd

Hyderabad, March 1

Supply chain solutions company Gati has started road transportation of goods from India (Pune and Wadi) to Bangladesh on a direct door delivery basis.

The first shipments were booked by Aspee Agro Equipment of Mumbai and Kudale Instruments of Pune. These parcels were shipped for an exhibition and will be bought back to India after the exhibition, the company said in a communication to BSE.

Xpress International Ltd, which is partnering with Gati, will be responsible for import clearance and delivery of the shipments at consignee's door step in Dhaka. Gati has a network in the SAARC countries and provides end-to-end logistics solutions in Bangladesh, Bhutan and Nepal.

Mr Mahendra Agarwal, Gati's Managing Director, said, "We have now become the first express cargo company to start direct door delivery service from India to Bangladesh by surface express mode."
