Commenting on the company's quarterly performance, **Mr. Mahendra Agarwal, Founder & CEO** said,

“Despite a soft business environment in the current quarter, we are encouraged by a number of factors that will contribute to the long-term growth of our unique Supply Chain solutions portfolio. The GST roll-out will help unlock the much needed efficiencies in the way businesses operate today and we are distinctively positioned with our network and technology to support this transition. We will continue to evolve our relationships with our customers going forward and work closely with them to solve the supply chain needs of a post-GST environment. Our strategic alliance with Browntape allows us to provide unique single-window solution to online sellers by integrating our logistics capabilities with Browntape's order management platform seamlessly”
