

GATI-KINTETSU EXPRESS

An Overview

- The Transported Asset Protection Association (TAPA), a **non-profit organization**, is a unique forum that unites global manufacturers, logistics providers, freight carriers, law enforcement agencies, and other stakeholders with the common aim of reducing losses from international supply chains.
- Founded in 1997, TAPA has three regions across the globe namely Asia, Europe, the Middle East and Africa and the Americas Association has over 700+ members include many of the world's leading manufacturing brands as well as their logistics and transport providers with combined annual sales of over US\$900 billion
- TAPA has developed Freight/Facility Security Requirement (FSR) for the Supply Chain, which includes warehouse security, Truck Security Requirements (TSR) for road transportation, Air Cargo (TACSS) and Food & Drugs security (FDFSR).
- TAPA is moving quickly and effectively, promoting a worldwide security standard, sharing crime intelligence with its members and law enforcement partners and launching practical initiatives. The Incident Information Service (IIS) is a database of freight crimes occurring against the industry and TAPA members. The database stores incidents such as crimes of hijacking, robbery, warehouse burglary, fraud, theft from facilities and thefts from and of the vehicle & load.
