Dear Sir/Madam,

**Sub.: Intimation under Regulation 30 of Securities and Exchange Board of India (Listing Obligations and Disclosure Requirements) Regulations, 2015.**

Pursuant to Regulation 30 of the Securities and Exchange Board of India (Listing Obligations and Disclosure Requirements) Regulations, 2015 ("Listing Regulations"), we would like to inform you that the situation arising due to spread of CoVID-19 pandemic and the directives received from the Central & State Governments and Local Bodies, the Company is taking appropriate measures to ensure the safety and well-being of all its employees and ensuring full compliance with the directives issued by Central & State Governments and Local Bodies.

The Company has rolled out a slew of measures towards safety & wellbeing of its office based employees, including providing IT infrastructure & connectivity to enable them to 'Work from Home' to minimize the spread of CoVID-19. For the safety of people employed in on-ground operations, we have put in place various measures on social distancing and precautionary hygienic practices.

The Indian Government has announced a nationwide lockdown for 21 days from March 25, 2020, to stem the proliferation of CoVID-19. Due to this the operations in many of our express distribution centres, warehouses and supply chain services have been disrupted. We have had to scale down and suspend operations in most of our operations locations.

The Company is closely monitoring the situation and will decide on resumption of its operations based on further directives from the Government. The expected financial impact of the aforementioned suspension of operations is not ascertainable at this stage.

We request you to kindly take the same on record.

Thanking You,

Yours faithfully,
